INTRODUCTION

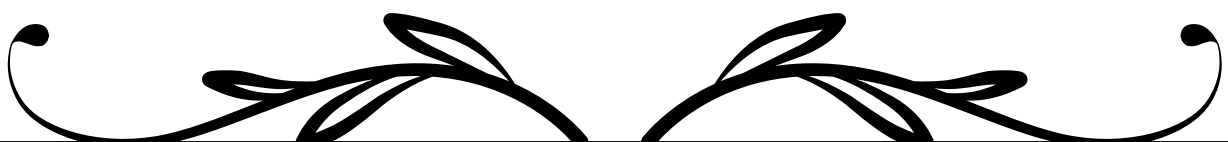

Newlife Shelter Foundation is a beacon of hope and empowerment, committed to transforming lives through a holistic approach that centers on education, skill development, and women's empowerment. As a non-profit organization, we recognize the pivotal role these elements play in breaking the cycle of poverty and creating sustainable change in communities.

Our dedication to education goes beyond traditional models, emphasizing quality and inclusivity. We believe that education is the cornerstone of personal and societal growth, and as such, we strive to provide upgraded educational opportunities that nurture the potential of every individual, fostering a generation equipped to face the challenges of the future.

Skill development is a key pillar of our foundation, recognizing that practical skills are essential for personal autonomy and economic self-sufficiency. Through innovative programs and partnerships, we empower individuals with the tools and knowledge needed to thrive in a dynamic and competitive world.

Newlife Shelter Foundation is deeply committed to women's empowerment, acknowledging the transformative impact women can have on families and communities. Our initiatives focus on providing women with the resources, skills, and confidence necessary to break barriers and become catalysts for positive change.

At Newlife Shelter Foundation, we are not just shaping futures; we are building a community of empowered individuals who, in turn, contribute to the betterment of society. Join us on this journey of transformation, where every empowered life is a testament to the positive change that is possible through education, skill development, and women's empowerment. Together, we are creating a new life for all.

Goal Of Newlife Shelter Foundation

The Newlife Shelter Foundation is driven by a profound commitment to effect positive change in society through its well-defined goals. Our foremost objective is to elevate the standard of education, ensuring that every individual, regardless of background, has access to quality learning opportunities. We aspire to instill a sense of empowerment by prioritizing skill development, equipping individuals with the practical tools needed for personal and professional success. Central to our mission is the promotion of women's empowerment, seeking to break down barriers and foster a culture of gender equality. Moreover, we aim to create a ripple effect of positive change in communities by addressing socio-economic challenges through collaborative initiatives. Our overarching goal is to build resilient and self-sufficient communities where every person has the opportunity to lead a dignified and fulfilling life. Through these objectives, the Newlife Shelter Foundation strives to be a catalyst for lasting impact and transformation.

Our Projects Akshar

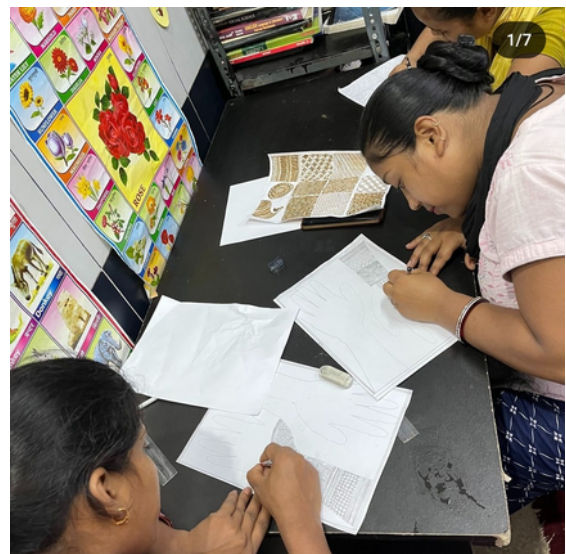

In the year 2022-23, Project Akshar, an impactful initiative by the Newlife Foundation, reached new heights in its mission to empower children with meaningful life skills. This visionary project, dedicated to holistic child development, touched the lives of over 200 children during the year. Through a comprehensive curriculum designed to go beyond traditional education, Akshar focused on imparting crucial life skills essential for personal growth and success. From fostering critical thinking to enhancing communication and problem-solving abilities, the project aimed to equip these young minds with the tools needed to navigate life's challenges. With a commitment to creating a positive and nurturing learning environment, Project Akshar, through the Newlife Foundation, continues to make a lasting impact on the lives of children, laying the groundwork for a brighter and more empowered future.

Samarthan

Project Samarthan, spearheaded by the Newlife Shelter Foundation, embodies a commitment to women's empowerment and economic independence. This transformative initiative has engaged and empowered 40 women by providing them with valuable skills in mehendi artistry and tailoring. The project recognizes the potential for self-sufficiency that lies within these traditional crafts, offering a sustainable income source for the participants. Through comprehensive training programs and ongoing support, Project Samarthan not only imparts technical skills but also instills a sense of confidence and entrepreneurship in these women. By focusing on the art of mehendi and tailoring, the project not only contributes to the preservation of cultural crafts but also equips these women with the means to shape their own destinies. The Newlife Shelter Foundation's Project Samarthan stands as a beacon of empowerment, fostering a community of skilled and confident women ready to navigate the path to financial independence.

Shiksha

Project Shiksha, an initiative led by the Newlife Shelter Foundation, has played a pivotal role in transforming the educational landscape for over 40 students. Focused on enhancing English language proficiency and imparting basic computer skills, the project aimed to bridge educational gaps and equip students for success in the modern world. Remarkably, 5 students emerged as standouts in computer skills through the program, showcasing exceptional talent and dedication. Today, these bright individuals are not just graduates of Project Shiksha but have transitioned into the professional realm, securing positions in private companies. Their success stands as a testament to the impact of the project, demonstrating how targeted education and skill development can open doors to meaningful employment opportunities, contributing to the broader vision of empowerment championed by the Newlife Shelter Foundation. Project Shiksha continues to be a catalyst for change, nurturing talents and paving the way for a brighter future for its students.

Awareness about “Menstruation and women health”

On the 7th of April, in commemoration of World Health Day, the NewLife Shelter Foundation took a proactive step towards addressing the sanitation challenges prevailing in the community. The organization conducted an enlightening seminar on "Menstruation and Women's Health." The primary focus of this session was to empower women and adolescents by enhancing their understanding of their bodies and related health issues. The program was skillfully conducted by Aditi Bhardwaj, imparting valuable insights and fostering an open dialogue on topics often considered taboo. The engagement was significant, with more than 50 women participating actively in the seminar. By tackling crucial issues related to menstruation and women's health, the NewLife Shelter Foundation demonstrated its commitment to holistic community well-being, contributing to the broader narrative of health education and awareness.

Financial Literacy Training

In a collaborative effort with the Atulya Foundation, the Newlife Shelter Foundation organized an enlightening session aimed at raising awareness among women about various government schemes. The focus of the session was to enhance financial literacy and empower women with knowledge about available resources. During this insightful session, women were not only informed about the available schemes but were also offered assistance in obtaining their E-Sharam cards. For those women who had yet to acquire their E-Sharam cards, Newlife Shelter Foundation facilitated a seamless process for card issuance. The Foundation expresses heartfelt gratitude to the Atulya Foundation for their invaluable contribution and the impactful session that significantly supports our Women Empowerment initiative, Project Samarthan. The collaboration between Newlife Shelter Foundation and Atulya Foundation has been immensely fruitful, marking a positive step towards fostering self-reliance and empowerment within the community.

Tree Plantation

Heartfelt gratitude goes out to the members of Enactus SVC for their commendable efforts in organizing a tree plantation drive and an enlightening activity focused on the importance of plants and the ethos of reusing. Their commitment to environmental consciousness and sustainability was evident in the engaging session they conducted with our students. Through this initiative, the Enactus SVC members not only planted seeds of awareness but also fostered a sense of responsibility towards our planet. The mantra "Live life cleaner by making Earth greener" resonates strongly with the impactful message they shared. This collaborative endeavor has left an indelible mark, inspiring our students to appreciate the significance of plants and the imperative of reusing resources for a healthier and more sustainable future. A heartfelt thank you to Enactus SVC for contributing to the cultivation of a greener and more environmentally conscious community.

Blanket distribution

The NewLife Shelter Foundation extends a warm embrace to those in need during the chilling winters through its compassionate blanket distribution initiative. Recognizing the harsh realities faced by individuals without adequate shelter, the foundation dedicates itself to providing a comforting layer of warmth through the distribution of blankets. As the temperature drops and the cold winds prevail, the foundation mobilizes its resources to reach out to vulnerable communities, homeless shelters, and individuals struggling to stay warm. This initiative not only addresses the immediate physical need for warmth but also symbolizes a gesture of care and solidarity. By spreading the warmth of generosity, the NewLife Shelter Foundation plays a pivotal role in alleviating the suffering of those affected by the winter chill, embodying the spirit of humanity in action.

Clothes and Books Distribution

The New Life Shelter Foundation has made a significant impact on the lives of many by distributing essential items like clothes, books, and toys. Through their heartfelt efforts, they have reached out to communities in need, generously providing over 150 sets of clothing to those facing challenges. This act of kindness not only addresses the basic necessity of clothing but also contributes to the overall well-being and dignity of individuals. In addition to clothing, the foundation has extended its support by distributing books, promoting literacy and education, and bringing the joy of learning to those who may not have easy access to such resources. Furthermore, the distribution of toys adds an extra layer of warmth to the hearts of children, fostering moments of joy and playfulness amidst difficult circumstances. The New Life Shelter Foundation's commitment to holistic support underscores their dedication to making a positive and meaningful impact in the lives of those they serve.
